ACHIEVED OUTCOMES

SYSTEMS CHANGE APPROACH

- 
PROGRAMS: P2P funds innovative programs with best practices that include targeted recruitment, job and education readiness, mentoring, and customized wrap-around services (childcare, eldercare, transportation assistance, financial literacy, etc.).
- 
CONNECTION: Through P2P, the Foundation developed cross-sector partnerships with workforce development programs, vocational programs, community/technical colleges, and non-profit organizations.
- 
CONTEXT: The Foundation integrates policy, research, and grantmaking strategies to educate policy makers about the systemic issues women face. To this end, the Foundation and its grantee-partners work to affect policy and funding changes needed to create and sustain an environment that actively supports women's economic opportunity.
- 
INFRASTRUCTURE: P2P supports infrastructure by building grantee-partner capacity in program operations and evaluation to enhance grantee-partners' abilities to build pathways to prosperity with a gender lens.
- 
SCALE: P2P is evidence that concerted collaboration is more than a sum of its parts. **Through the efforts described above, the Foundation works to ensure that a comprehensive system is available to support women's economic opportunity throughout Minnesota.**
